### Knock Down Debt & Build Up Credit

Do you have credit card debt, student loans, or crushing medical bills? Trying to deal with collections? Getting out of debt is a process. Learn how to start from Shannon Doyle, a certified financial counselor with Lutheran Social Service. She'll explain how to prioritize, negotiate, and avoid the pitfalls of consolidation. Get out of debt so you can get on with life.

Plus, learn how poor credit can hurt you when you try to rent an apartment, get car insurance, and more. A banker with Sunrise Banks will share a low-cost plan to repair bad credit.

This is free financial advice you can start using tomorrow!
