SCHOOL SUPPLY DRIVE FOR CHILDREN FROM LOW-INCOME FAMILIES IN GREATER SAINT PAUL

BY THE NUMBERS

• Each year, we collect new backpacks, calculators, and other school essentials to benefit school children from low-income families being served through ten different programs throughout Greater Saint Paul.

• Just one of these partners, the St. Paul Public Schools, serves nearly 2,000 students each year who are homeless.

• Last year, together with 23 area faith communities, plus individual donors, we collected more than $23,000 of school supplies filling 550 backpacks for local students in need.
