

Do you want to improve your family's financial situation?

You should apply to participate in the **Economic Mobility Hub for American Indians in Ramsey County!**

Who: American Indian families with a child under age 18 in their household who are [eligible for Medical Assistance](#) and who live in Ramsey County are invited to apply to participate in this new opportunity offered by **American Indian Family Center, Department of Indian Work,** and **Montessori American Indian Child Care.**

What: The "Hub" team will work with families on their goals in the following areas:

- Work, income, and health supports
- Education and career training
- Financial management and intergenerational wealth building
- Community and cultural connections and supports

Research has found that families who work on these things with the support of an integrated network of service providers are **three to four times** more likely to achieve significant economic outcomes!

If you are willing to meet regularly with one of our family coaches to develop and update a plan that is led by YOUR FAMILY, with support and resources from us to help you achieve YOUR GOALS, please go to [Family Coaching for American Indian/Native American Residents | Ramsey County](#) to register. We will contact you soon!

Extra opportunity: Families who complete a few key steps with the Hub over the next several months may become eligible to be selected to receive a monthly income boost starting in summer 2023. We can only pick 25 families who are participating in the Hub for this amazing opportunity – and we plan to select families who are committed to working with the Hub toward a better future for their family!

Don't delay, apply today! We welcome and encourage you to join us on this journey!
