

# Faithful Hospitality

Volunteer at a local house of worship to help provide shelter for families experiencing homelessness

**People of faith are called to make a difference.**

That is why houses of worship are joining with Interfaith Action of Greater Saint Paul to open their doors for families experiencing homelessness. Our community's shelters are overflowing, but our interfaith community is stepping up to help.

**Volunteers make Faithful Hospitality possible.**

We need enthusiastic volunteers to serve as overnight hosts to help provide a safe, welcoming haven and compassionate support, especially for asylum seekers. Overnight hosts are on duty from 7pm to 7am weekdays and 7pm to 8am on weekends. Resources and training are provided for hosts!

**Sign up today!**

**Faithful Hospitality** is an initiative to provide mobile shelter to help our community deal with an overflow of families experiencing homelessness. Interfaith Action also engages community partners to provide supportive legal, housing, and employment services to families in Faithful Hospitality shelters. The initiative, supported by the State of Minnesota, is designed to alleviate capacity challenges in shelters, decrease costs of serving families experiencing homelessness, and empower interfaith partners to live out their faith values.
